The Pelham Good Neighbor Fund

54 Years of People Helping People

The Pelham Good Neighbor Fund was established 54 years ago by Pelham residents who wanted to help their neighbors in need by providing them with food, toys and clothing for Christmas.

A few years later, we expanded the program to include financial assistance for food, heat, electricity, rent, transportation, and other household expenses. We estimate that we have helped over 2,500 residents in the last 54 years. In 2022, we provided financial assistance to many families, awarded two \$2,500 scholarships to high school students and donated to several community organizations.

During our 53rd Annual Christmas Drive through our Sponsor-A-Child program, we were able to provide toys, clothing, and food for 13 families which included 25 children.

The Annual Golf Tournament and the Annual Christmas Drive are our two major fundraisers. We also receive financial support from the community throughout the year. There are up to fifteen volunteers who are dedicated and committed to financially helping our less fortunate residents in Pelham. Their involvement along with the financial support from the community has made the town of Pelham a better place to live.
